### Electronic Treatment Authorization Request (eTAR) Available July 27, 2006 for Select Providers

Effective July 27, 2006, the electronic Treatment Authorization Request (eTAR) submission process is available for the following Medi-Cal providers:

- Adult Augmented Care (AAC)
- Adult Day Health Care Centers
- EPSDT Nutritional Services
- Heroin Detoxification
- Home Health Agencies and Home and Community-Based Services
- Hospice Care Program
- Long Term Care
- Non-Pharmacy Issued Drugs
- Occupational Therapy
- Physical Therapy
- Respiratory Therapy
- Speech Therapy
- Medical Transportation

The Treatment Authorization Request (TAR) processing system will accept electronic prior authorization transactions via the current eTAR system for the Medi-Cal provider types listed above. Using the eTAR submission process, providers can create, update, inquire and view responses for TARs online. In addition, providers have access to the Code Search tool for code inquiries. Using eTAR eliminates mail and paper processing time.

The Web-based prior authorization transaction is available on the Medi-Cal Web site ([www.medi-cal.ca.gov](http://www.medi-cal.ca.gov)) by logging on to “Transaction Services” and clicking the “Online TAR Application” link.

To use the eTAR application, providers must have a *Medi-Cal Point of Service (POS) Network/Internet Agreement* form on file. This form is available on the Medi-Cal Web site ([www.medi-cal.ca.gov](http://www.medi-cal.ca.gov)). On July 27, 2006, all providers listed above with a *Medi-Cal POS Network/Internet Agreement* form on file will be activated to use the eTAR submission process.

Providers whose specific service type is not listed above should continue to refer to future *Medi-Cal Updates*. The eTAR system will be available to other provider types in future months.

## Stop Illegal Tobacco Sales

The simplest way to stop illegal tobacco sales to minors is for merchants to check ID and verify the age of the tobacco purchasers. Report illegal tobacco sales to 1-800-5-ASK-4-ID.

For more information, see the California Department of Health Services Web site at <http://www.dhs.ca.gov>.

**Get Your NPI Now – The Countdown Has Begun!**

Countdown has begun; do you have your NPI? Don’t risk disruption to your cash flow – Get your NPI now! National Provider Identifiers (NPIs) will be required on claims sent on or after May 23, 2007. **Every** healthcare provider needs to get an NPI! Learn more about NPI and how to apply by visiting [www.cms.hhs.gov/NationalProvIdentStand/](http://www.cms.hhs.gov/NationalProvIdentStand/) on the CMS website.

This page also contains a section for Medicare Fee-For-Service (FFS) providers with helpful information on the Medicare NPI implementation. A Countdown Clock is now available on this page to remind health care providers of the number of days left before the compliance date; bookmark this page as new information and resources will continue to be posted.

For more information on private industry NPI outreach, visit the Workgroup for Electronic Data Interchange (WEDI) NPI Outreach Initiative website at <http://www.wedi.org/npioi/index.shtml> on the web.

CDHS encourages providers to apply for their NPI at the National Plan and Provider Enumeration System (NPPES) Web site at <https://nppes.cms.hhs.gov>, and to register their NPI with Medi-Cal.

### RAD Code and Correlation Table Revisions and Additions

The following Remittance Advice Details (RAD) messages are revised or added to help reconcile provider accounts.

#### Additions

<u>Code</u>	<u>Message</u>
9863	LEA (Local Educational Agency) amended assessment is not payable without prior assessments.
9869	Procedure code is limited to six in three years.

#### Revised

<u>Code</u>	<u>Message</u>
9162	LEA services exceed the maximum units allowed per day.
9173	LEA services are limited to 24 occurrences per year.

Adjustment Reason Codes (ARC), Adjustment Group Codes (AGC), Health Care Remarks Codes (HCRC) and description updates have been added to the *Remittance Advice Details (RAD) Electronic Correlation Table to National Codes* sections in the Part 1 manual.

*This information is reflected on manual replacement pages remit cd9000 15, 16, 42 and 43 (Part 1), remit elect corr9100 6 (Part 1), remit elect corr9800 3 (Part 1) and remit elect corr hcrc 3 (Part 1).*

### Remittance Advice Detail Code 010: Denials for Duplicate Claims

A frequent cause of claim denials by Medi-Cal is due to incorrect recipient admission and discharge dates and/or incorrect patient status codes as submitted by providers. Erroneous “from-through” dates or patient status billed by one provider and paid by Medi-Cal can result in the denial of correct claims billed by another provider. This often occurs between hospitals and nursing homes during the transfer of the recipient. Providers see this on their *Remittance Advice Details (RAD)* as a claim denied by RAD code 010.

Should the denied provider choose to dispute the claim and there is no resolution between the two providers regarding the dates in question, Medi-Cal could recoup the full reimbursement of the original erroneously paid claim, and will not make an adjustment without a correction request from that provider.

Incorrectly paid and denied claims can also create incorrect provider reimbursement data and inaccuracies in the health service records that may impact recipient Share of Cost, access to services and estate recovery.

For assistance in resolving these issues, providers are advised to write to the Correspondence Specialist Unit at:

Correspondence Specialist Unit  
P.O. Box 13029  
Sacramento, CA 95813-4029

For information about proper claim form completion, refer to the claim completion section in the appropriate Part 2 manual.
